Oh hey a new admin! HI! I joined the WoF Forums (in what, June?) and then I left (in September I think) and now I'm here for a short visit because my school is on break. You won't see me around. But hi, I is MOON! The one and only!

Hey there Admin Antonio!!! (cool name BTW). I'm Lissie! Here are a few things you should know about me...

1. I am very random

2. I rant quite a bit...

3. I am a firm believer in fairness...and sometimes I go a little overboard.

4. I evidently have one of the largest star counts on the MB...

5. I love superheroes and stuff like that

6. I roleplay a lot...

7. Yep, that's pretty much it.

Also, I love cats...just felt like saying that.

This is cool, because I've never really talked directly to a specific mod before :)

I'm Diana. This is the SECOND mod I've seen start... Oh, and the only reason people ship Aukliff is because of a fanfic. It's not an actual ship. It's not a real ship because Tui didn't develop it.

Oh! Antonio, I'm Darth Dungarth, sith lord and time lady.

Here, I have a few things you should know about the forums, so... HAI BTW IM A BIT CRAZY AND WEIRD SOMETIMES

First of all, pop around the forums and such, and check for posts that should be deleted.
Second, we all make these "how many till a mod/admin" threads and maybe you could post there. It gets a bit boring, just counting, waiting until the mod/admin posts, which is often never.
Third,

Hi I'm new too but Welcome anyway! No one calls me anything yet but you can call me whatever you think makes sense. My user name is entirely random so if it is easier for you you can just call me Arid-Sandwing. I hope we can talk more and that I can learn more about every bodies opinions about the books. Oh, I might say spoilers too sorry if I do and I hope you like the series as much as I do.
Welcome to the Winglet!
